JOURNALISM EXPERIENCE

News Intern at U.S. News and World Report

February 2026 - May 2026

- Writing daily news stories and a Friday week-in-review column for the [Decision Points](#) daily newsletter, fact-checker and data analyst, attending pitch meetings and conducting research for [Best Countries](#) stories.

Journalist at Craig Newmark Graduate School of Journalism

August 2025 - Present

- Developing a reporting portfolio, covering climate, public health and local accountability stories. Clips include: [As Summer Approaches, NYCHA Tenants in East Harlem Wait for Elevator Repairs](#), [After COVID-19, South Brooklyn Pedestrians Face Riskier Roads](#), [They Ran 7 Marathons in 7 Days for Climate Justice. They're Aiming for New Distances](#), and [Where the Sidewalk Ends, A Plaza Grows in Brooklyn](#).
- Using Svelte code and Python to conduct data analyses and create interactive data visualizations and static site pages, all open source and available on my [Github](#). Check out my [personal website](#) to view my full portfolio.
- Co-host of “[15 Minute Story](#)”, a weekly podcast to connect Newmark J-School students and emphasize the importance of journalism. Skilled in Avid ProTools and Adobe Premiere Pro for audio and video editing.

Newsletter Editor at LiLY (Lifeforce in Later Years)

October 2023 – Present

- Design the layout of monthly newsletter “[The Villager](#)” for distribution among LiLY elderly recipients in Morningside Heights and West Harlem.
- Edit and write features for the ‘Meet Your Neighbors’ column, create a monthly events calendar for elderly readers.

Photo Journalist and Photo Editor at Pipe Dream Newspaper

August 2019 – May 2021

- Managed and edited all photography published in Binghamton University’s student-run newspaper “[Pipe Dream](#)”. Designed layouts for bi-weekly editions and special issues. Required proficiency in Adobe InDesign and Photoshop.

ADDITIONAL EXPERIENCE

Campaign Development Specialist at Blood Cancer United

October 2023 – August 2025

- Acted as [fundraising campaign](#) and logistics lead for the Metro New York office, creating weekly data reports, newsletters, grant proposals, event signage, site plans, and conducting volunteer recruitment and donation outreach.
